IN MEMORY OF OUR BELOVED CHAIRPERSON

**“When someone you adore becomes a memory,
the memory becomes a treasure.”**

Mrs. Varsha M. Kakadiya was endowed with rare qualities of endurance, patience and gratitude. She was well known for bringing qualitative and quantitative changes. She was an intellectual, a wonderful organizer who always took a personal interest in solving every matter. She believed that success depended upon action and hard work. The aura of her ever-smiling face and sparkling eyes worked as a driving force for those working in the organization. Her profoundly caring nature had earned her love and respect from one and all. Philanthropy and concern for the less fortunate occupy her leisure time. Above all, she was a doting mother, an affectionate family woman, and a loving down to earth personality.

According to her, life is like a piano. White keys are happy moments and black keys are sad moments but remember both keys are played together to give sweet music called life.

Vision of Chairperson

My vision is to raise responsible, self-assured and holistic individuals, who aspire to achieve their full potential. We as a team intend that all children should enjoy their learning and become independent life-long learners.

As we step into a new academic year filled with hope, enthusiasm, and limitless opportunities, I am delighted to remind you that education is not confined to textbooks or classrooms—it is a lifelong journey that shapes who you become. At our school, every effort we make is centered on nurturing responsible, confident, and compassionate individuals who are prepared to embrace the future with courage and clarity.

Today's world is evolving faster than ever. With advancements in artificial intelligence, digital innovation, global connectivity, and new-age careers, the skills required for success are constantly changing. This is why our focus goes beyond academic excellence. We aim to cultivate critical thinking, creativity, emotional intelligence, problem-solving, and leadership, ensuring that every child grows into an adaptable and future-ready global citizen.

Our vision is to create a learning environment where curiosity is encouraged, individuality is celebrated, and every challenge becomes an opportunity to grow. Through collaborative learning, sportsmanship, creative exploration, and value-based education, we strive to prepare you not just for exams, but for life.

Every experience you encounter—whether in the classroom, on the sports field, in a laboratory, or on stage—adds to your personal growth. Remember, success is built one step at a time. Believe in your abilities, stay focused, and have the courage to take on new challenges. Mistakes are not setbacks; they are stepping stones to mastery and resilience.

As we begin this wonderful year together, let us move ahead with positivity, determination, and a strong belief in our limitless potential. May this year inspire you to learn with joy, lead with integrity, dream without fear, and shine in everything you do.

Wishing you a year filled with creativity, confidence, achievements, and endless possibilities.

Warm Regards,

Ms. Ekta D. Kakadia

12. Excellence in Academic Leadership - Best HOD of the year 2025-26

Vision of the

Academic Director & Principal

1. To contribute to the development of an institution that upholds **excellence in teaching and learning** as the foundation for intellectual advancement, ethical growth, and societal progress.
2. To foster an educational environment that supports the **holistic growth of students and educators**, encompassing intellectual, emotional, social, physical, and ethical dimensions.
3. To promote **contemporary pedagogical practices**, including inquiry-based learning, digital integration, and the cultivation of **twenty-first-century competencies** essential for lifelong learning.
4. To emphasise the importance of **collaborative partnerships** with parents, alumni, and the wider community in strengthening the institution's academic reputation and social responsibility.

5. To prepare learners for **global citizenship** by nurturing critical awareness, adaptability, and cultural sensitivity.
6. To preserve and promote **Indian values and cultural heritage** as integral components of identity, character, and responsible citizenship.

Education plays a pivotal role in developing analytical thinking, problem-solving abilities, and evidence-based decision-making. Beyond content knowledge, it fosters curiosity, innovation, and a scientific temperament essential for addressing contemporary global challenges. In an era marked by rapid technological advancement and complex societal issues, scientific literacy has become a fundamental requirement for informed and responsible citizenship.

G. D. Goenka International School, Surat, is guided by the vision of cultivating a sustained interest in scientific inquiry among students. Our academic framework is designed to maintain a rigorous balance between **theoretical understanding and experiential learning**. Through laboratory investigations, project-based learning, interdisciplinary activities, and structured interactions, students are encouraged to connect conceptual knowledge with real-world applications.

The school emphasises the development of **higher-order cognitive skills**, including critical thinking, creativity, collaboration, and problem-solving. Learning experiences are enriched through interactive classroom practices, co-curricular initiatives, academic competitions, exhibitions, and educational field visits, all of which contribute to deeper conceptual understanding and learner engagement.

Well-equipped laboratories and a committed faculty form the backbone of our instructional approach. Our educators serve not only as instructors but also as facilitators and mentors, supporting students' academic growth and nurturing a research-oriented mindset.

I express my sincere appreciation to our faculty members for their professionalism and dedication, to our students for their active engagement in the learning process, and to our parents for their continued partnership and trust. Through collaborative effort, we aim to develop a community of **informed, reflective, and innovative learners** prepared to contribute meaningfully to society.

With best wishes for a productive and intellectually enriching academic year.

Warm Regards,
Dr. Shruti Agrawal

Vision of Director-Operations

At G.D. Goenka International School, every academic year is more than a sequence of dates and events—it is a purposeful journey of growth, excellence, and transformation. The Annual Calendar stands as a reflection of our collective vision, careful planning, and unwavering commitment to nurturing young minds for a dynamic and responsible future.

“Higher Thoughts, Stronger Work, Brighter Results towards Academic and Human Excellence”—

We believe education must go beyond academic achievement. It must inspire character, resilience, empathy, discipline, and global citizenship. Each activity, assessment, celebration, and milestone included in this calendar has been thoughtfully designed to contribute to the holistic development of our students.

Our mission—to accomplish this vision with utmost dedication—is embedded in every operational process and academic initiative. From structured learning schedules to co-curricular and enrichment programs, from cultural observances to leadership opportunities, the calendar ensures balance, continuity, and clarity for students, parents, and educators alike.

Operational excellence plays a vital role in translating vision into reality. Meticulous planning, timely execution, and coordinated teamwork across departments enable a smooth academic journey throughout the year. This calendar serves as a guiding framework, promoting preparedness, accountability, and consistency while allowing space for innovation and adaptability.

I extend my sincere appreciation to the school leadership, educators, administrative teams, and support staff for their dedication and collaborative spirit in shaping this academic roadmap. I also acknowledge the trust and partnership of parents, whose involvement strengthens our shared mission of student success.

As we embark on this academic year, let us move forward with confidence, purpose, and unity—encouraging our learners to think higher, work stronger, and achieve brighter results in all spheres of life.

Warm Regards,
Dr. Sejal Thakkar

Food Dept. Advisor & Dietician

B.Sc. (FSN), Fellowship in Clinical Nutrition,
Diploma in Child health & Nutrition

“Higher Thoughts – Stronger Work – Brighter Results: Towards Academic and Human Excellence” is the guiding vision of G.D. Goenka International School

To bring this vision to life, we believe our students must be happy, confident, and healthy — both physically and emotionally. At G.D. Goenka, we are committed to nurturing the **complete well-being** of every child through a holistic 360° health approach.

We thoughtfully design and provide **healthy, calorie-balanced national and international cuisines**, ensuring that every meal brings nourishment, happiness, and satisfaction. Our aim is to make nutritious food appealing, enjoyable, and enriching for young minds and growing bodies.

We pledge to continue offering a **diverse range of nutrients**, presented in the most attractive and mouth-watering ways, so that healthy eating becomes a joyful habit for life.

When your child is at G.D. Goenka, you can be reassured that they are cared for with warmth, responsibility, and dedication.

Warm Regards,

Ms. Nirja Parekh

Dean of Higher | HOD - Commerce Dept.

Achievements

1. Recipient of IFERD Excellence Award 2025 for Contribution to teaching and learning
2. Gujarat Bhushan Puraskar for Academic leadership.

Vision of Dean

"To cultivate a premier academic ecosystem where students in Grades IX-XII transition from learners to leaders, mastering the intersection of intellectual excellence and the agile competencies required to navigate and shape a rapidly evolving global landscape."

As the Dean of Higher Section at G.D. Goenka International School, I often perceive education not as a fixed pathway, but as a living, evolving process shaped by curiosity, courage, and consciousness. "Education is not the filling of a pail, but the lighting of a fire." Within our classrooms, learning unfolds quietly—in moments of inquiry, in thoughtful silences, and in the resilience that follows failure. These subtle transformations often matter more than visible achievements.

In a world defined by uncertainty and rapid change, academic excellence alone is no longer sufficient. What our students require is the capacity to interpret complexity, respond with empathy, and act with integrity. Our responsibility, therefore, extends beyond curriculum delivery. "Educating the mind without educating the heart is no education at all." We endeavour to cultivate reflective thinkers who can navigate ambiguity without losing their ethical compass.

Every student carries a unique narrative—of aspirations, anxieties, and unrealised potential. Our role is to listen deeply, guide intuitively, and create spaces where confidence and competence grow organically. Through interdisciplinary learning, purposeful dialogue, and experiential engagement, we encourage learners to connect knowledge with meaning and intention.

Education, in its truest form, is transformative. It reshapes perspectives, challenges assumptions, and awakens social responsibility. We urge our students to move beyond competitive success towards collaborative leadership and conscious citizenship. Mistakes are reframed as milestones, and perseverance is recognised as intellectual maturity.

In guiding young minds, we remain mindful that *“The future depends on what we do in the present.”* Through reflective dialogue, interdisciplinary exploration, and values-driven engagement, we seek to cultivate thoughtful leaders and conscious citizens who will rise above mediocrity and contribute with purpose.

At G.D. Goenka International School, we do not merely prepare students for examinations or careers. We prepare them for life—complex, beautiful, and demanding—ensuring that they emerge not only informed, but enlightened.

Warm Regards,
Mr. Belal Fayaz

It gives me immense pleasure to present the Annual Academic Calendar for the forthcoming session. Carefully designed and strategically structured, the calendar reflects our commitment to academic excellence while ensuring a balanced integration of co-curricular and enrichment activities that foster the holistic development of every learner.

The academic framework for the year includes Periodic Assessments, Half-Yearly and Annual Examinations. Comprehensive preparation plans have been incorporated, including revision modules, pre-board examinations, focused mentoring, remedial support, doubt-clearing sessions, and career guidance initiatives. These structured interventions are aimed at equipping our students with the confidence, clarity, and competence required to excel in their Board Examinations

Beyond academics, the calendar presents a vibrant array of inter-house competitions, Olympiads, sports meets, cultural programmes, leadership activities, educational excursions, community service initiatives, and skill-enhancement workshops. Each activity has been thoughtfully planned to cultivate creativity, collaboration, resilience, and responsibility among our students.

At G.D. Goenka International School, Surat, we firmly believe that success is achieved through disciplined planning, timely execution, and collective accountability. This Annual Calendar is not merely a schedule of events—it is a commitment to completing every academic and co-curricular task with efficiency, precision, and dedication. Adhering to timelines, meeting academic targets, and maintaining consistency throughout the year will be our shared priority.

Timely preparation, regular attendance, and proactive participation will ensure that all objectives are achieved smoothly and effectively. Let us work together with focus, determination, and efficiency to make this academic year organized, goal-oriented, and truly successful for every learner.

HOD - Science Dept.

Ms. Kiran Bhoj

PGT-Chemistry | In-charge HOD Science
M.Sc., B.Ed.

Greetings to all!

As the Incharge Head of the Science Department, it is both a privilege and a responsibility to share our vision with you. At the heart of our approach lies a simple yet powerful belief—science is not just a subject to be studied, but a way of thinking, exploring, and understanding the world.

Our goal is to inspire young minds through curiosity, innovation, and scientific inquiry. We strive to transform classrooms into spaces where questions are welcomed, ideas are explored, and learning becomes a joyful and meaningful journey rather than a routine task.

We are committed to making science engaging, practical, and relevant for every learner. Through hands-on experiments, project-based learning, and the integration of modern technology, we ensure that students do not just learn concepts but experience them. We want our students to observe, analyze, and connect what they learn with real-life situations.

As a department, our focus extends beyond textbooks. We aim to nurture curiosity, develop critical thinking, and foster innovation. We encourage students to question the 'why' and 'how' behind everything they see, because it is this spirit of inquiry that builds true understanding.

For parents, I would like to emphasize that your support plays a crucial role in this journey. When curiosity is encouraged both at school and at home, it creates confident learners who are not afraid to think differently.

Together, let us create an environment where science is not feared, but loved—where every child feels empowered to explore, discover, and grow.

Thank you.

“Setting the Stage for Stories & Success”

As we turn over a new leaf and step into yet another promising year, it is time to set the ball rolling with renewed zest and a spring in our step. The Department of English believes that words are not just letters strung together; they are the building blocks of thought, the bridge over troubled waters, and often the light at the end of the tunnel. This year, we aim to raise the bar, push the envelope, and ensure that every learner finds their voice and lets it ring loud and clear.

From debates that bring the house down to creative writing that lets imagination run wild, we promise there will never be a dull moment. We encourage our students to think outside the box, read between the lines, and take the bull by the horns when challenges come knocking. After all, Rome wasn't built in a day, and mastery of language is no flash in the pan. It takes grit, gumption, and the willingness to burn the midnight oil.

So, let us put our best foot forward, leave no stone unturned, and make every word count. If language is power, then let us wield it wisely, wear it proudly, and have a whale of a time while we're at it. The stage is set, now it's your cue to steal the show.

Mathematics is the foundation of logical thinking and problem solving. It enables students to develop accuracy, reasoning ability, and confidence in dealing with real-life situations. Our Mathematics Department strives to make the subject meaningful, engaging and fear-free for every learner.

My aim as the Head of the Department is to nurture analytical minds, promote conceptual clarity and instill a love for mathematics in every student, in sync with the holistic aim of our school—fostering discipline, critical thinking and excellence in all spheres of learning. We focus not only on academic achievement but also on developing patience, perseverance, and systematic work habits.

Throughout the year, activity-based learning, mental mathematics, projects and quizzes have helped students strengthen their understanding and build a positive attitude towards the subject. Individual attention ensures that each child progresses with confidence at their own pace.

I sincerely appreciate the efforts of our students, the dedication of our teachers, and the valuable support of parents. Together, we will continue to explore the beauty of mathematics and strive for higher accomplishments.

On behalf of the Department of Social Science and Humanities, I am glad to share our view on the significance role of the social sciences in shaping our understanding of the human experience and the world around us. Our department stands as a bridge between the past, present, and future, exploring the intricate tapestry of human society and culture.

This is an era marked by rapid technological change, it is essential to recognize the importance of the social sciences. We train our students with the critical thinking skills, cultural sensitivity, and historical context necessary to navigate a complex and interconnected world. Our faculty, experts in their respective fields, guide students to analyse societal issues, empathize with diverse perspectives, and develop innovative solutions.

Research within our department spans a wide range of topics, from the study of historical civilizations to the exploration of contemporary social phenomena. Our work informs public policy, enriches our understanding of human behaviour, and contributes to global conversations about sustainability, equality, and justice. We take pride in fostering a spirit of intellectual curiosity and encouraging our students to engage with the world's most pressing challenges.

Diversity, inclusivity, and a commitment to interdisciplinary collaboration are core values of our department. We believe that a well-rounded education in the social sciences and humanities not only empowers individuals but also fosters a more compassionate and equitable society. We encourage our students to explore the intersections of culture, society, and technology, recognizing the importance of multi disciplinary approaches in our ever-evolving world.

As the head of the Department of Social Science and Humanities, I am honoured to lead a group of dedicated scholars, students, and staff who are passionate about advancing our collective knowledge of the human experience. We are excited to continue our journey of discovery and understanding, and we look forward to the vital contributions our department will make in the years to come.

हिंदी : व्यक्तित्व निर्माण की आधारशिला

वर्तमान काल में हिंदी भाषा विचारों के आदान-प्रदान की प्रमुख भाषा है। यह भारतीय जनमानस को एकता के सूत्र में बाँधती है। विद्यालयी शिक्षा में हिंदी शिक्षण का उद्देश्य केवल भाषाई ज्ञान देना नहीं, बल्कि विद्यार्थियों में चिंतन क्षमता, संवेदनशीलता और स्पष्ट अभिव्यक्ति का विकास करना है। हिंदी साहित्य के अध्ययन से छात्र जीवन के विविध खट्टे-मीठे अनुभवों से परिचित होते हैं। हिंदी की कविताएँ छात्रों को भावनात्मक ऊँचाइयों पर ले जाती हैं। कहानी छात्रों को जीवन के यथार्थ से जोड़ती है तो निबंध अपने विचारों को व्यवस्थित ढंग से प्रस्तुत करना सिखाता है। आज के वैश्विक परिवेश में अनेक भाषाओं का ज्ञान आवश्यक है, परंतु हिंदी भाषा में उत्तम वक्तृत्व होना बहुत महत्वपूर्ण है। हिंदी हमें हमारी सांस्कृतिक जड़ों से जोड़ती है और व्यक्तित्व को संतुलित एवं सशक्त बनाती है। हमारा प्रयास है कि विद्यार्थी हिंदी को केवल पाठ्यक्रम तक सीमित न रखें, बल्कि उसे जीवन का अभिन्न अंग बनाएँ।

On behalf of the Department of Computer Science and Artificial Intelligence, I am glad to share our vision aligned with the CBSE curriculum and the goals of the National Education Policy. Our department focuses on building strong foundations in Computer Science, Python programming, Data Handling, Database Concepts, Artificial Intelligence, and Emerging Technologies as prescribed by CBSE.

We equip our students with computational thinking, problem-solving skills, ethical digital practices, and practical programming expertise. Through project-based learning, lab activities, and real-world case studies, students gain hands-on experience in Python, data visualization, SQL, networking fundamentals, and introductory AI concepts. Our approach emphasizes conceptual clarity, logical reasoning, and application-oriented learning in line with CBSE guidelines.

Our department encourages innovation through practical assignments, collaborative projects, and exposure to contemporary areas such as Artificial Intelligence, Data Science, and Cybersecurity at the school level. We also promote responsible use of technology, digital citizenship, and awareness of data privacy.

As the department head, I am proud to lead a team committed to academic excellence, skill development, and preparing students to become responsible digital leaders of tomorrow.

As the Head of the Commerce Department at G.D. Goenka International School, I firmly believe in the enduring truth of the maxim, *“Knowledge is power, but wisdom is knowing how to use it.”* Commerce education is not merely about numbers, balance sheets, or market trends; it is about understanding the pulse of society, the ethics of enterprise, and the responsibility that accompanies success.

In today's rapidly evolving economic landscape, where change is the only constant, our students must learn not only to keep pace but to stay ahead of the curve. We encourage them to read between the lines, think beyond profit margins, and recognise that sustainable growth is rooted in integrity. As Peter Drucker aptly observed, *“The best way to predict the future is to create it.”* Our endeavour is to equip learners with analytical acumen, entrepreneurial vision, and moral clarity.

The Commerce classroom is a space where theory meets practice and ambition is tempered with accountability. Students are urged to think outside the box, take calculated risks, and understand that every failure is a stepping stone to mastery. We remind them that *Rome was not built in a day*, and that perseverance is the true currency of success.

Guided by the principle, *“Do the right thing, even when no one is watching,”* we strive to shape professionals who value transparency over shortcuts and purpose over mere profit. Through case studies, simulations, and real-world applications, we nurture decision-makers who can balance growth with social responsibility.

At G.D. Goenka International School, we do not merely train future accountants, managers, or entrepreneurs. We cultivate ethical leaders, critical thinkers, and responsible contributors to the global economy—individuals who will not only build wealth but also build trust, leaving behind a legacy of excellence and integrity.

શાળા શિક્ષણમાં માતૃભાષાનું સ્થાન અતિ મહત્વપૂર્ણ છે. ગુજરાતી ભાષા આપણા સંસ્કાર, સંસ્કૃતિ અને પરંપરાનો આધારસ્તંભ છે. HOD તરીકે હું માનું છું કે ગુજરાતી વિષય માત્ર પાઠ્યપુસ્તક સુધી મર્યાદિત નથી, પરંતુ વિદ્યાર્થીઓના વિચારશક્તિ, અભિવ્યક્તિ અને વ્યક્તિત્વ વિકાસનું સશક્ત માધ્યમ છે. માતૃભાષામાં મજબૂત પાચો હોય તો વિદ્યાર્થી અન્ય તમામ વિષયોમાં પણ આત્મવિશ્વાસ સાથે આગળ વધી શકે છે.

વિભાગીય બેઠકો દ્વારા પાઠ્ય આયોજન, શિક્ષણ પદ્ધતિ, મૂલ્યાંકન અને નવીન પ્રવૃત્તિઓ અંગે માર્ગદર્શન આપવામાં આવે છે. શિક્ષકો વિદ્યાર્થીકેન્દ્રિત અભિગમ અપનાવે, પ્રવૃત્તિ આધારિત શિક્ષણ કરે અને ભાષાના ચાર કૌશલ્ય—વાંચન, લેખન, શ્રવણ અને વાચ્ય પર સમાન ભાર મૂકે તે માટે આયોજન કરવામાં આવે છે. ડેમો લેસન, પિચર ઓબ્ઝર્વેશન અને રચનાત્મક પ્રતિસાદ દ્વારા શિક્ષણની ગુણવત્તા સુધારવામાં આવે છે. કમજોર વિદ્યાર્થીઓ માટે રીમિડિયલ સહાય અને પ્રતિભાશાળી વિદ્યાર્થીઓ માટે સર્જનાત્મક કાર્ય આપવામાં આવે છે.

પ્રાદેશિક ભાષા તરીકે ગુજરાતીનું પ્રોત્સાહન કરવા માટે શાળા, પરિવાર અને સમાજ ત્રણેયનો સંકલિત પ્રયાસ જરૂરી છે. પરિવારમાં રોજિંદા જીવનમાં ગુજરાતી ભાષાનો ઉપયોગ વધારવો જોઈએ. બાળકો સાથે ગુજરાતી ભાષામાં સંવાદ, વાર્તાઓ અને પુસ્તકોનું વાંચન તેમને ભાષા સાથે ભાવનાત્મક રીતે જોડે છે. HOD તરીકે મારું દ્રઢપણે માનવું છે કે મજબૂત માતૃભાષા અન્ય ભાષા શીખવામાં પણ સહાયક બને છે. ઘરેથી વાંચન ટેવ વિકસે, ગુજરાતી સંવાદ

વધે અને બાળકોને ગુજરાતી પુસ્તકો ભેટ આપવામાં આવે—તે માટે માર્ગદર્શન આપવામાં આવે છે.

અંતમાં, HOD તરીકે મારી માન્યતા છે કે ગુજરાતી વિષય માત્ર ગુણ મેળવવાનો વિષય નથી, પરંતુ જીવન જીવવાની સમજ અને સંસ્કાર આપનાર શક્તિશાળી માધ્યમ છે. યોગ્ય આયોજન, નવીનતા અને સંકલિત પ્રયાસોથી આપણે ગુજરાતી વિષયને શાળામાં ગૌરવપૂર્ણ સ્થાન અપાવી શકીએ છીએ અને વિદ્યાર્થીઓને સંસ્કારી, સંવેદનશીલ તથા આત્મવિશ્વાસી નાગરિક તરીકે ઘડી શકીએ છીએ.

Prioritizing Health & Wellness for a Stronger Tomorrow

Dear Students & Parents,

In today's rapidly changing world, taking care of both our body and mind is more important than ever. At G.D. Goenka International School, Surat, we believe that true success comes from a balanced life—one where academic growth goes hand-in-hand with good health and emotional well-being.

Physical Wellness: The First Step to Progress

- **Keep Moving:** Simple activities like walking or stretching can boost energy, mood, and overall fitness.
- **Eat Smart:** Include proteins, fruits, whole grains, and vegetables in daily meals to fuel the body and improve concentration.
- **Sleep Well:** Quality sleep helps sharpen memory, improve mood, and enhance productivity. Aim for 7–9 hours each night.

- **Stay Hydrated:** Drink enough water and disconnect from screens before bedtime for better relaxation.

Mental & Emotional Wellness: Building Inner Strength

- **Manage Stress:** Techniques like meditation, deep breathing, or journaling can help calm the mind and reduce anxiety.
- **Limit Screen Time:** Everything online isn't always real—take breaks from social media to protect your mental space.
- **Express Yourself:** Share your thoughts and feelings with someone you trust. Reaching out for help is a sign of strength.
- **Set Boundaries:** Learn to say no when needed—it is essential for emotional balance and personal well-being.

Welcoming Change & Facing Challenges

Life brings new experiences and transitions, and approaching them with a positive mindset makes all the difference. Stay adaptable, work on problem-solving skills, and never hesitate to seek support. Change encourages growth, and resilience enables us to overcome challenges confidently.

Your health is your biggest asset—cherish it, protect it, and let it help you grow. Wishing you a joyful, healthy, and fulfilling journey ahead.

Warm regards,

Mr. Narendra Joshi

Message from the Associate Dean of PVA

Ms. Henita Desadia
Associate Dean of PVA
M.A in Bharata Natyam - Gold Medalist

Nurturing Creativity Through Performing and Visual Arts

At G.D. Goenka International School, the Performing and Visual Arts (PVA) Department plays a vital role in shaping confident, creative, and disciplined learners. The department focuses on nurturing each child's artistic potential while helping students develop essential life skills such as self-expression, teamwork, and perseverance.

Through regular classes in dance, music, and visual arts, students are encouraged to explore different art forms and discover their individual talents. The curriculum is thoughtfully designed to integrate arts education with academic learning, allowing students to grow as well-rounded individuals with strong creative and critical thinking abilities.

Competitions and inter-school events provide valuable platforms for students to showcase their skills and gain exposure to healthy competition. These experiences not only bring recognition but also help build confidence, stage presence, and resilience. Students learn to accept challenges, work hard toward goals, and celebrate achievements with humility.

Work education activities conducted across all grades further enhance practical learning and creativity. Such activities help students understand the value of effort, responsibility, and innovation, preparing them for real-life situations while strengthening their artistic abilities.

The PVA Department continues to work towards creating a vibrant and supportive arts community where every student feels encouraged to participate, perform, and grow. With consistent guidance, quality training, and opportunities for performance, students are empowered to pursue their passions and shine with confidence, both on stage and in life.

Warm Regards,
Ms. Henita Desadia

Message from the Sports Director

Mr. Ashish Singh
Sports Director
B.P.Ed., B.A.

Vision of Sports Director

Develop opportunities, healthy environment, physically fit & leadership quality for good citizenship.

G.D. Goenka International School in Surat has made significant strides in promoting physical fitness and athletic development through its comprehensive sports program. Under the guidance of their dedicated Sports Director, the school has implemented an innovative approach to encourage active participation among students.

The sports program encompasses both traditional and modern sporting activities, designed to cater to diverse student interests. Through structured training sessions, regular competitions, and state-of-the-art facilities, students are provided with opportunities to develop their athletic abilities while maintaining academic excellence.

Key aspects of the program include:

1. Daily physical education sessions integrated into the curriculum
2. Specialized coaching in various sports disciplines
3. Inter-house competitions to foster healthy competition
4. Participation in regional and national tournaments
5. Focus on both individual and team sports
6. Regular fitness assessments and progress tracking
7. Emphasis on sportsmanship and character development

The Sports Director's vision emphasizes the importance of regular physical activity in student development, recognizing that active participation in sports contributes to both physical well-being and academic performance. Through this holistic approach, G.D. Goenka International School continues to nurture well-rounded individuals who excel both on and off the field.

Warm Regards,
Mr. Ashish Singh

Message from the Associate Sports Director

Mr. Lahor Singh Terang
Associate Sports Director
B.P.Ed.

“Sports teach you character, it teaches you to play by the rules, it teaches you to know what it feels like to win and lose – it teaches you about life”.

G.D. Goenka International School, Surat, Annual Sports Calendar-2026-27 is packed with exciting events that promote teamwork, skill development, and school spirit. This year promises to be filled with competitions, practices, and opportunities for students to showcase their talents in various sports "i.e." Cricket, Basketball, Football, Skating, Swimming, Shooting, Rock Climbing, Track & Field.

The Evening Sports Academy provides students with a structured and enjoyable environment to engage in sports and physical activities after their academic learning hours and Hostel Evening Sports design for hostel residents, this program ensures that students balance their studies with physical fitness, teamwork, and recreational play.

In addition to regular games and matches, our school will host several special events throughout the year. These include inter house competition, extramural, Intra Hostel Competition and the Annual Sports Day, where students can engage in friendly competitions across various sports, recognizing outstanding athletes for their dedication and achievements.

This year's sports calendar is designed to inspire students to be active, work together, and strive for excellence. We encourage all students to participate in sports, whether as athletes or supportive fans. Let's make this year one to remember, filled with enthusiasm and sports spirit!

Warm Regards,

Mr. Lahor Singh Terang
