IN MEMORY OF OUR BELOVED CHAIRPERSON

**“When someone you adore becomes a memory,
the memory becomes a treasure.”**

Mrs. Varsha M. Kakadiya was endowed with rare qualities of endurance, patience and gratitude. She was well known for bringing qualitative and quantitative changes. She was an intellectual, a wonderful organizer who always took a personal interest in solving every matter. She believed that success depended upon action and hard work. The aura of her ever-smiling face and sparkling eyes worked as a driving force for those working in the organization. Her profoundly caring nature had earned her love and respect from one and all. Philanthropy and concern for the less fortunate occupy her leisure time. Above all, she was a doting mother, an affectionate family woman, and a loving down to earth personality.

According to her, life is like a piano. White keys are happy moments and black keys are sad moments but remember both keys are played together to give sweet music called life.

Vision of Chairperson

My vision is to raise responsible, self-assured and holistic individuals, who aspire to achieve their full potential. We as a team intend that all children should enjoy their learning and become independent life-long learners.

As we step into a new academic year filled with hope, enthusiasm, and limitless opportunities, I am delighted to remind you that education is not confined to textbooks or classrooms—it is a lifelong journey that shapes who you become. At our school, every effort we make is centered on nurturing responsible, confident, and compassionate individuals who are prepared to embrace the future with courage and clarity.

Today's world is evolving faster than ever. With advancements in artificial intelligence, digital innovation, global connectivity, and new-age careers, the skills required for success are constantly changing. This is why our focus goes beyond academic excellence. We aim to cultivate critical thinking, creativity, emotional intelligence, problem-solving, and leadership, ensuring that every child grows into an adaptable and future-ready global citizen.

Our vision is to create a learning environment where curiosity is encouraged, individuality is celebrated, and every challenge becomes an opportunity to grow. Through collaborative learning, sportsmanship, creative exploration, and value-based education, we strive to prepare you not just for exams, but for life.

Every experience you encounter—whether in the classroom, on the sports field, in a laboratory, or on stage—adds to your personal growth. Remember, success is built one step at a time. Believe in your abilities, stay focused, and have the courage to take on new challenges. Mistakes are not setbacks; they are stepping stones to mastery and resilience.

As we begin this wonderful year together, let us move ahead with positivity, determination, and a strong belief in our limitless potential. May this year inspire you to learn with joy, lead with integrity, dream without fear, and shine in everything you do.

Wishing you a year filled with creativity, confidence, achievements, and endless possibilities.

Warm Regards,

Ms. Ekta D. Kakadia

Message from the Boys House Master

Mr. Amit Yadav

The Annual Hostel Calendar for the academic year 2026–27 has been carefully planned to ensure the overall development, discipline, and well-being of all hostel students. It reflects the school's commitment to providing a safe, structured, and nurturing residential environment that supports both academic excellence and personal growth.

The session will begin with the reopening of the hostel and orientation of students to familiarize them with hostel routines, rules, and expectations. The daily schedule will include morning exercise, regular school hours, evening sports, supervised study sessions, and adequate rest to maintain a balanced lifestyle.

Academic support remains a key focus, with supervised prep sessions and guidance to help students perform to the best of their abilities. Along with academics, the hostel will celebrate important national festivals such as Independence Day, Republic Day, and other cultural events to promote values, unity, and cultural awareness.

Sports, recreational activities, and personality development programs will be organized throughout the year to promote physical fitness, confidence, and leadership skills. Regular interaction with parents through visiting days and communication will ensure transparency and student well-being.

The hostel remains committed to creating a disciplined, caring, and enriching environment where students can grow into responsible, confident, and well-rounded individuals.

Warm Regards,
Mr. Amit Yadav

Message from the Girls House Mistress

Ms. Sumona Ghosh
House Mistress
Graduate

Dear Students and Parents, A new academic year always brings new beginnings, new hopes, and new responsibilities. For many students, staying in a hostel is their first step toward independence, and I deeply respect the trust that parents place in us during this important phase of their child's life.

Life in a hostel is about much more than routines and rules. It is where students learn to manage themselves, understand others, and grow beyond their comfort zones. My aim has always been to create an atmosphere where students feel secure enough to express themselves, confident enough to take responsibility, and supported enough to learn from their mistakes.

We make conscious efforts to ensure that the hostel remains a peaceful and disciplined space, while also allowing room for joy, friendship, and personal growth. Safety, cleanliness, and health are treated as essentials—not options. Alongside academics, we encourage habits that promote emotional strength, empathy, and resilience, because these qualities matter just as much in the long run.

Every student who stays here comes with a unique story, background, and aspiration. I believe in listening, guiding when needed, and standing by students during both achievements and challenges. My role goes beyond supervision—it is about being present, approachable, and dependable.

To the parents, thank you for your faith. To the students, remember that this hostel is not just a facility, but a shared home where respect and responsibility shape daily life. Together, let us make these years meaningful, balanced, and enriching.

Warm Regards,
Ms. Sumona Ghosh

At G.D. Goenka International School, Surat, hostel life truly embodies the spirit of being a “home away from home.” Along with care, discipline, and a nurturing environment, strong academic support remains at the heart of our hostel system. The Hostel Tuition Programme is a structured and well-supervised initiative designed to ensure that every student receives consistent academic guidance beyond regular school hours.

The hostel tuition facility is available for students from Class 3 to Class 12, covering both Science and Commerce streams. It is completely free of cost and is compulsory for all hostel students, ensuring that every hostelite benefits from guided study hours and continuous academic reinforcement. In addition, this facility is also open to day boarders who wish to avail themselves of the same academic support at no extra cost.

These supervised tuition hours provide a focused and disciplined learning environment where students revise daily lessons, clarify doubts, strengthen conceptual understanding, and prepare effectively for examinations. The emphasis is on building clarity, confidence, and consistency in studies rather than simply completing assignments. Regular monitoring and structured schedules help students develop better study habits, time management skills, and a strong sense of academic responsibility.

By integrating guided tuition into the hostel routine, we ensure that learning becomes a continuous and supported process. This initiative reflects the school’s commitment to academic excellence and equal opportunity, providing every student with the resources and encouragement needed to achieve their full potential.

Warm Regards,

Ms. Binny Gandhi

Prioritizing Health & Wellness for a Stronger Tomorrow

Dear Students & Parents,

In today's rapidly changing world, taking care of both our body and mind is more important than ever. At G.D. Goenka International School, Surat, we believe that true success comes from a balanced life—one where academic growth goes hand-in-hand with good health and emotional well-being.

Physical Wellness: The First Step to Progress

- **Keep Moving:** Simple activities like walking or stretching can boost energy, mood, and overall fitness.
- **Eat Smart:** Include proteins, fruits, whole grains, and vegetables in daily meals to fuel the body and improve concentration.
- **Sleep Well:** Quality sleep helps sharpen memory, improve mood, and enhance productivity. Aim for 7–9 hours each night.

- **Stay Hydrated:** Drink enough water and disconnect from screens before bedtime for better relaxation.

Mental & Emotional Wellness: Building Inner Strength

- **Manage Stress:** Techniques like meditation, deep breathing, or journaling can help calm the mind and reduce anxiety.
- **Limit Screen Time:** Everything online isn't always real—take breaks from social media to protect your mental space.
- **Express Yourself:** Share your thoughts and feelings with someone you trust. Reaching out for help is a sign of strength.
- **Set Boundaries:** Learn to say no when needed—it is essential for emotional balance and personal well-being.

Welcoming Change & Facing Challenges

Life brings new experiences and transitions, and approaching them with a positive mindset makes all the difference. Stay adaptable, work on problem-solving skills, and never hesitate to seek support. Change encourages growth, and resilience enables us to overcome challenges confidently.

Your health is your biggest asset—cherish it, protect it, and let it help you grow. Wishing you a joyful, healthy, and fulfilling journey ahead.

Warm regards,

Mr. Narendra Joshi

Nurturing Creativity Through Performing and Visual Arts

At G.D. Goenka International School, the Performing and Visual Arts (PVA) Department plays a vital role in shaping confident, creative, and disciplined learners. The department focuses on nurturing each child's artistic potential while helping students develop essential life skills such as self-expression, teamwork, and perseverance.

Through regular classes in dance, music, and visual arts, students are encouraged to explore different art forms and discover their individual talents. The curriculum is thoughtfully designed to integrate arts education with academic learning, allowing students to grow as well-rounded individuals with strong creative and critical thinking abilities.

Competitions and inter-school events provide valuable platforms for students to showcase their skills and gain exposure to healthy competition. These experiences not only bring recognition but also help build confidence, stage presence, and resilience. Students learn to accept challenges, work hard toward goals, and celebrate achievements with humility.

Work education activities conducted across all grades further enhance practical learning and creativity. Such activities help students understand the value of effort, responsibility, and innovation, preparing them for real-life situations while strengthening their artistic abilities.

The PVA Department continues to work towards creating a vibrant and supportive arts community where every student feels encouraged to participate, perform, and grow. With consistent guidance, quality training, and opportunities for performance, students are empowered to pursue their passions and shine with confidence, both on stage and in life.

Warm Regards,

Ms. Henita Desadia
