**“When someone you adore becomes a memory,  
the memory becomes a treasure.”**

Mrs. Varsha M. Kakadiya was endowed with rare qualities of endurance, patience and gratitude. She was well known for bringing qualitative and quantitative changes. She was an intellectual, a wonderful organizer who always took a personal interest in solving every matter. She believed that success depended upon action and hard work. The aura of her ever-smiling face and sparkling eyes worked as a driving force for those working in the organization. Her profoundly caring nature had earned her love and respect from one and all. Philanthropy and concern for the less fortunate occupy her leisure time. Above all, she was a doting mother, an affectionate family woman, and a loving down to earth personality.

According to her, life is like a piano. White keys are happy moments and black keys are sad moments but remember both keys are played together to give sweet music called life.

### Vision of Chairperson

My vision is to raise responsible, self-assured and holistic individuals, who aspire to achieve their full potential. We as a team intend that all children should enjoy their learning and become independent life-long learners.

As we step into a new academic year filled with hope, enthusiasm, and limitless opportunities, I am delighted to remind you that education is not confined to textbooks or classrooms—it is a lifelong journey that shapes who you become. At our school, every effort we make is centered on nurturing responsible, confident, and compassionate individuals who are prepared to embrace the future with courage and clarity.

Today's world is evolving faster than ever. With advancements in artificial intelligence, digital innovation, global connectivity, and new-age careers, the skills required for success are constantly changing. This is why our focus goes beyond academic excellence. We aim to cultivate critical thinking, creativity, emotional intelligence, problem-solving, and leadership, ensuring that every child grows into an adaptable and future-ready global citizen.

Our vision is to create a learning environment where curiosity is encouraged, individuality is celebrated, and every challenge becomes an opportunity to grow. Through collaborative learning, sportsmanship, creative exploration, and value-based education, we strive to prepare you not just for exams, but for life.

Every experience you encounter—whether in the classroom, on the sports field, in a laboratory, or on stage—adds to your personal growth. Remember, success is built one step at a time. Believe in your abilities, stay focused, and have the courage to take on new challenges. Mistakes are not setbacks; they are stepping stones to mastery and resilience.

As we begin this wonderful year together, let us move ahead with positivity, determination, and a strong belief in our limitless potential. May this year inspire you to learn with joy, lead with integrity, dream without fear, and shine in everything you do.

Wishing you a year filled with creativity, confidence, achievements, and endless possibilities.

Warm Regards,

**Ms. Ekta D. Kakadia**

## **Education That Prepares Students for Life, Not Just Scores**

Education is not only about marks; it is about preparing students to face real life with confidence, responsibility, and wisdom. Exams may measure knowledge, but life measures character, creativity, and resilience. A meaningful education teaches students how to think independently, communicate effectively, and adapt to changing situations — skills that remain valuable far beyond the classroom.

A supportive school environment nurtures these qualities every day. Through interactive learning, teamwork, co-curricular activities, and real-life discussions, students develop curiosity, leadership, empathy, and problem-solving abilities. Mistakes become opportunities to learn, and success grows from effort and discipline. By consistently reinforcing values such as respect, integrity, and perseverance, education shapes not just good learners, but strong human beings.

Participation in sports, arts, projects, and social initiatives builds emotional strength and social awareness. These experiences quietly strengthen confidence and responsibility, preparing students to face real-world challenges with maturity.

In the end, scores reflect performance in an exam hall, but education shapes the person behind the score. The true goal of schooling is to nurture confident thinkers, compassionate citizens, and lifelong learners — ready not just for exams, but for life itself.

Warm Regards,

**Ms. Priyanka Chugh**

### Nurturing Creativity Through Performing and Visual Arts

At G.D. Goenka International School, the Performing and Visual Arts (PVA) Department plays a vital role in shaping confident, creative, and disciplined learners. The department focuses on nurturing each child's artistic potential while helping students develop essential life skills such as self-expression, teamwork, and perseverance.

Through regular classes in dance, music, and visual arts, students are encouraged to explore different art forms and discover their individual talents. The curriculum is thoughtfully designed to integrate arts education with academic learning, allowing students to grow as well-rounded individuals with strong creative and critical thinking abilities.

Competitions and inter-school events provide valuable platforms for students to showcase their skills and gain exposure to healthy competition. These experiences not only bring recognition but also help build confidence, stage presence, and resilience. Students learn to accept challenges, work hard toward goals, and celebrate achievements with humility.

Work education activities conducted across all grades further enhance practical learning and creativity. Such activities help students understand the value of effort, responsibility, and innovation, preparing them for real-life situations while strengthening their artistic abilities.

The PVA Department continues to work towards creating a vibrant and supportive arts community where every student feels encouraged to participate, perform, and grow. With consistent guidance, quality training, and opportunities for performance, students are empowered to pursue their passions and shine with confidence, both on stage and in life.
