**“When someone you adore becomes a memory,  
the memory becomes a treasure.”**

Mrs. Varsha M. Kakadiya was endowed with rare qualities of endurance, patience and gratitude. She was well known for bringing qualitative and quantitative changes. She was an intellectual, a wonderful organizer who always took a personal interest in solving every matter. She believed that success depended upon action and hard work. The aura of her ever-smiling face and sparkling eyes worked as a driving force for those working in the organization. Her profoundly caring nature had earned her love and respect from one and all. Philanthropy and concern for the less fortunate occupy her leisure time. Above all, she was a doting mother, an affectionate family woman, and a loving down to earth personality.

According to her, life is like a piano. White keys are happy moments and black keys are sad moments but remember both keys are played together to give sweet music called life.

### Vision of Chairperson

My vision is to raise responsible, self-assured and holistic individuals, who aspire to achieve their full potential. We as a team intend that all children should enjoy their learning and become independent life-long learners.

As we step into a new academic year filled with hope, enthusiasm, and limitless opportunities, I am delighted to remind you that education is not confined to textbooks or classrooms—it is a lifelong journey that shapes who you become. At our school, every effort we make is centered on nurturing responsible, confident, and compassionate individuals who are prepared to embrace the future with courage and clarity.

Today's world is evolving faster than ever. With advancements in artificial intelligence, digital innovation, global connectivity, and new-age careers, the skills required for success are constantly changing. This is why our focus goes beyond academic excellence. We aim to cultivate critical thinking, creativity, emotional intelligence, problem-solving, and leadership, ensuring that every child grows into an adaptable and future-ready global citizen.

Our vision is to create a learning environment where curiosity is encouraged, individuality is celebrated, and every challenge becomes an opportunity to grow. Through collaborative learning, sportsmanship, creative exploration, and value-based education, we strive to prepare you not just for exams, but for life.

Every experience you encounter—whether in the classroom, on the sports field, in a laboratory, or on stage—adds to your personal growth. Remember, success is built one step at a time. Believe in your abilities, stay focused, and have the courage to take on new challenges. Mistakes are not setbacks; they are stepping stones to mastery and resilience.

As we begin this wonderful year together, let us move ahead with positivity, determination, and a strong belief in our limitless potential. May this year inspire you to learn with joy, lead with integrity, dream without fear, and shine in everything you do.
