IN MEMORY OF OUR BELOVED CHAIRPERSON

**“When someone you adore becomes a memory,
the memory becomes a treasure.”**

Mrs. Varsha M. Kakadiya was endowed with rare qualities of endurance, patience and gratitude. She was well known for bringing qualitative and quantitative changes. She was an intellectual, a wonderful organizer who always took a personal interest in solving every matter. She believed that success depended upon action and hard work. The aura of her ever-smiling face and sparkling eyes worked as a driving force for those working in the organization. Her profoundly caring nature had earned her love and respect from one and all. Philanthropy and concern for the less fortunate occupy her leisure time. Above all, she was a doting mother, an affectionate family woman, and a loving down to earth personality.

According to her, life is like a piano. White keys are happy moments and black keys are sad moments but remember both keys are played together to give sweet music called life.

Vision of Chairperson

My vision is to raise responsible, self-assured and holistic individuals, who aspire to achieve their full potential. We as a team intend that all children should enjoy their learning and become independent life-long learners.

As we step into a new academic year filled with hope, enthusiasm, and limitless opportunities, I am delighted to remind you that education is not confined to textbooks or classrooms—it is a lifelong journey that shapes who you become. At our school, every effort we make is centered on nurturing responsible, confident, and compassionate individuals who are prepared to embrace the future with courage and clarity.

Today's world is evolving faster than ever. With advancements in artificial intelligence, digital innovation, global connectivity, and new-age careers, the skills required for success are constantly changing. This is why our focus goes beyond academic excellence. We aim to cultivate critical thinking, creativity, emotional intelligence, problem-solving, and leadership, ensuring that every child grows into an adaptable and future-ready global citizen.

Our vision is to create a learning environment where curiosity is encouraged, individuality is celebrated, and every challenge becomes an opportunity to grow. Through collaborative learning, sportsmanship, creative exploration, and value-based education, we strive to prepare you not just for exams, but for life.

Every experience you encounter—whether in the classroom, on the sports field, in a laboratory, or on stage—adds to your personal growth. Remember, success is built one step at a time. Believe in your abilities, stay focused, and have the courage to take on new challenges. Mistakes are not setbacks; they are stepping stones to mastery and resilience.

As we begin this wonderful year together, let us move ahead with positivity, determination, and a strong belief in our limitless potential. May this year inspire you to learn with joy, lead with integrity, dream without fear, and shine in everything you do.

Wishing you a year filled with creativity, confidence, achievements, and endless possibilities.

Warm Regards,

Ms. Ekta D. Kakadia

Vision of the Dean of Pre-Primary

My vision is to make GDGIS Pre-Primary the most recognized program of the nation for providing excellence through early learning experiences to young children.

Celebrating Learning : The Role of Events and Festivals in Preschool Pedagogy

Preschool children's pedagogy of learning is a foundational element of early childhood education focused on holistic development through engaging and meaningful experiences. A key feature that enriches this pedagogy is the celebration of events, festivals, and special days, which play an important role in nurturing cultural awareness, community belonging, and social skills among young learners.

Incorporating event celebrations into preschool learning offers children a lively context to explore traditions, values, and social rituals. Common day celebrations such as Children's Day, Earth Day, or Teacher's Day introduce concepts of gratitude, environment, and respect in age-appropriate ways. These days often include simple activities like storytelling, songs, and art projects that reinforce the theme while making learning joyful and memorable.

Festival celebrations are a vital part of preschool pedagogy as they expose children to diverse cultural practices, enhancing their understanding and appreciation of different communities. Celebrations of Diwali, Christmas, Eid, Halloween, or local harvest festivals are typically integrated with class activities that blend creativity and learning. For example, decorating diyas during Diwali or making paper pumpkins for Halloween involves fine motor skill development, while sharing festival stories strengthens language and communication skills.

Class activities designed around these celebrations are thoughtfully planned to foster participation and inclusion. Teachers use crafts, music, dance, and role-play related to the event, allowing children to immerse themselves in the experience. These hands-on activities promote teamwork and build social-emotional competencies like empathy and cooperation.

Day celebrations and festivals also serve as natural opportunities for sensory learning. Children experience colours, smells, sounds, and tastes associated with specific festivities. For instance, tasting fruits during a harvest festival or listening to festival songs engages multiple senses, aiding memory and holistic brain development.

The celebration of events in preschool settings is not only about fun but also about reinforcing curriculum goals. Themes linked to festivals can be extended to include learning about seasons, community helpers, values such as kindness, and scientific concepts like changes in nature.

In summary, events, day celebrations, festival observances, and class activities are integral to preschool pedagogy, enriching the learning environment with cultural, social, and sensory experiences. These celebrations are carefully woven into the curriculum to support developmental goals while cultivating joy, community, and a deeper understanding of the world among young learners. This approach helps preschool children grow not only as learners but also as compassionate, culturally aware individuals.

Warm Regards,

Ms. Ankita Mulia

Nurturing Foundations where little steps grow into to big dreams

Imagine a seed of wonder sprouting in safe, joyful soil- that's pre-primary magic. It ignites more than letters and numbers. It launches a child's epic learning journey. It launches every child's epic journey of discovery.

As the Associate Coordinator of the Pre-Primary Section, I firmly believe that these early years lay the foundation for curiosity, confidence, and character.

Every child who walks into our classrooms brings a world of imagination, questions, and endless possibilities. Our role is not to shape them into a single mould, but to nurture their individuality, helping each child discover their strengths and blossom at their own pace. Through play-based learning, exploration, and meaningful interactions, we encourage children to ask questions, express ideas, and engage joyfully with their surroundings.

We strive to create a safe, loving, and stimulating environment where children feel valued and confident. Here, mistakes are seen as opportunities to learn, efforts are celebrated, and resilience is gently cultivated. Whether it is through storytelling, creative play, hands-on activities, or collaborative learning, every experience is thoughtfully designed to support holistic development.

Equally important is teaching values such as kindness, patience, sharing, and respect. When children learn to appreciate their peers and celebrate small achievements, they grow not only academically but emotionally and socially as well.

Our mission is to nurture happy learners who are confident, curious, compassionate, and excited to come to school each day. Watching shy smiles turn into confident voices and tiny steps grow into bold strides is the most rewarding part of our journey.

Together, let us continue to inspire young minds and build strong foundations for a bright and meaningful future, one joyful learning moment at a time.

“The greatest gifts you can give your children are the roots of responsibility and the wings of independence” Denis Waitley.

Prioritizing Health & Wellness for a Stronger Tomorrow

Dear Students & Parents,

In today's rapidly changing world, taking care of both our body and mind is more important than ever. At G.D. Goenka International School, Surat, we believe that true success comes from a balanced life—one where academic growth goes hand-in-hand with good health and emotional well-being.

Physical Wellness: The First Step to Progress

- **Keep Moving:** Simple activities like walking or stretching can boost energy, mood, and overall fitness.
- **Eat Smart:** Include proteins, fruits, whole grains, and vegetables in daily meals to fuel the body and improve concentration.
- **Sleep Well:** Quality sleep helps sharpen memory, improve mood, and enhance productivity. Aim for 7–9 hours each night.

- **Stay Hydrated:** Drink enough water and disconnect from screens before bedtime for better relaxation.

Mental & Emotional Wellness: Building Inner Strength

- **Manage Stress:** Techniques like meditation, deep breathing, or journaling can help calm the mind and reduce anxiety.
- **Limit Screen Time:** Everything online isn't always real—take breaks from social media to protect your mental space.
- **Express Yourself:** Share your thoughts and feelings with someone you trust. Reaching out for help is a sign of strength.
- **Set Boundaries:** Learn to say no when needed—it is essential for emotional balance and personal well-being.

Welcoming Change & Facing Challenges

Life brings new experiences and transitions, and approaching them with a positive mindset makes all the difference. Stay adaptable, work on problem-solving skills, and never hesitate to seek support. Change encourages growth, and resilience enables us to overcome challenges confidently.

Your health is your biggest asset—cherish it, protect it, and let it help you grow. Wishing you a joyful, healthy, and fulfilling journey ahead.

Mr. Narendra Joshi

Nurturing Creativity Through Performing and Visual Arts

At GD Goenka International School, the Performing and Visual Arts (PVA) Department plays a vital role in shaping confident, creative, and disciplined learners. The department focuses on nurturing each child's artistic potential while helping students develop essential life skills such as self-expression, teamwork, and perseverance.

Through regular classes in dance, music, and visual arts, students are encouraged to explore different art forms and discover their individual talents. The curriculum is thoughtfully designed to integrate arts education with academic learning, allowing students to grow as well-rounded individuals with strong creative and critical thinking abilities.

Competitions and inter-school events provide valuable platforms for students to showcase their skills and gain exposure to healthy competition. These experiences not only bring recognition but also help build confidence, stage presence, and resilience. Students learn to accept challenges, work hard toward goals, and celebrate achievements with humility.

Work education activities conducted across all grades further enhance practical learning and creativity. Such activities help students understand the value of effort, responsibility, and innovation, preparing them for real-life situations while strengthening their artistic abilities.

The PVA Department continues to work towards creating a vibrant and supportive arts community where every student feels encouraged to participate, perform, and grow. With consistent guidance, quality training, and opportunities for performance, students are empowered to pursue their passions and shine with confidence, both on stage and in life.

Warm Regards,

Ms. Henita Desadia
