## ***“Discipline is the Bridge between Goals and accomplishment”***

Dear Parents,

Greetings from GDGIS!

GDGIS Surat appreciates the endless support from the students and parents for making Teaching-Learning process a success throughout academic session i.e. A.Y. 2022-23.

We believe in  
**HIGHER THOUGHTS**  
**STRONGER WORK**  
**BRIGHTER RESULTS**

## ***“We commit to accomplish our vision with utmost Dedication”***

We at GDGIS are always looking for new ways to experiment and implement new ideas for the overall development of the children. We want our students to learn about the Indian Armed Forces and have similar basic training as our country celebrates 75 years of Independence and we are in the Azadi Ka Amrutkal. We want to start the **Goenkan Cadet Program (Both Girls and Boys)**, which is inspired by the NCC and will be provided by trained experts. Within a year we will be getting Government Approved NCC program.

## ***Our Honorable Prime Minister “Mr. NARENDRA MODI is a great example of NCC Alumni and many more eminent personalities are in this August Group.***

We aspire to make our Goenkans **Good Civilians** whose inner potential can be tapped to make them assets for the Nation. We aim at imparting to them the lessons and qualities of a disciplined person who can be a future soldier, doctor, lawyer, police officer, farmer, banker, or businessman. This will surely tend to strengthen the internal security of our society. We work on the ideology of “Every Citizen a Soldier”.

Below are a few highlights of this program:

1. Aim to create a disciplined youth force by imparting to them training that inculcates a sense of discipline, sacrifice, service to the community, and honor.
2. Providing them with lectures on general knowledge, regular assessments, and tracking the progress and growth of the child with reference to our program
3. Providing them with interactions with former defence officers in order to develop their personalities and best groom them
4. List of activities to be done during the Goenkan Cadet Program.
